Dr. Allan Baines,

Toronto.

Dear Dr. Baines:

I have your letter with regard to the promotion of Dr. Graham. Dr. McPhedran also has mentioned the matter to me. The only thing we have to take account of is that we have one or two others who position would have to be considered at the same time. However, I will speak to Dr. McPhedran about it again.

With kind regards, I am,

Yours sincerely,

President.
